Schools - Elementary - Dt. Bd., South Kanara - Revised scales of pay for teachers - Enhancement of rate of education tax - Grant of ~~subsidies and~~ advance - Orders passed.

Ref: From the Spl. Officer, Dt. Bd. South Kanara, ~~B.G.~~ C. No. 14578-E.2./47 dated 31-10-47.

Order/Ms. No. 2554 Edn. dated. 28.11.47

The Special Officer, Dt. Bd. South Kanara has reported that in order to introduce the revised scales of pay for teachers in elementary schools a sum of Rs. 1.25 lakhs would be necessary in the current year, without taking into account the additional expenditure on the grant of advance increments to teachers. The total cost of the revision of salaries ~~and~~ advance increments will be 1.70 lakhs.

2. With a view to enable the District Board to meet the cost of revision of salaries ~~& grant of advance~~ the Govt. consider that the rate of education tax should be raised from 14 pies to 24 pies. Under sub-section(2) of section 35 of the Madras Elementary Education Act, 1920, the Govt. direct that the rate of education tax levied in the area of the District Board, South Kanara, be raised from 14 pies to 24 pies in the rupee of land revenue with effect from fasli 1357. The Special Officer is requested to place the matter before the Dt Board and to forward to Govt. within a month from the date of this order a copy of its resolution resolving to levy education tax at the enhanced rate of 24 pies. Credit may provisionally be taken for the addl. income of Rs. 1.28* lakhs which the Dt. Bd. may derive from the enhancement of the tax for nine months in 1947-48.

* excluding the income of Rs. 32000 from the increase of tax already ordered.

3. The addl. income from the enhancement of education tax will not be sufficient to meet the

entire expenditure on the revision of salaries and the payment of advance increments in 1947-48. There may still be a gap of Rs. 36,000. ~~The Government consider that the Board should take an advance for this purpose.~~ The Govt. direct that a sum of Rs 7000 be transferred from the general funds to E.E. Fund Account. ~~The Govt. consider that the Board should take an advance for the remaining amount.~~

4. The Government sanction an advance of Rs. 29000 (Rupees Twenty Nine Thousand only) to the Dt. Board towards the cost of the revision of salaries and payment of advance increments. The advance should be repaid next year with interest at the rate of 3 1/2% per annum (provisional).

5. The A.G. is requested to place the amount of Rs. 29000 at the disposal of the Dt. Bd. at an early date. The Special Officer, Dt. Board, should present the necessary bill at the Treasury for obtaining payment for getting it adjusted.

6. The expenditure will be debited to "~~37 Extra-I Primary Advance towards the cost of revision of salaries~~ "XLI-Loans and Advances Bearing Interest -f- Miscellaneous Loans and Advances E- Advances to Local Bodies to Cover Deficit".

Education and Public Health Department

G.O.MS. NO. ~~2535~~ 2555 EDUCATION DATED THE ~~10TH SEPTEMBER 1947~~ 28.11.47.

O R D E R.

In G.Os. No. 975 Education dated 10-5-1947 and No. 1154 Edn. dated 5-6-1947, the Government sanctioned the introduction of revised scales of pay for teachers in elementary schools under local bodies as from 1-1-1947. It was ordered that the pay of each of the existing incumbents should be fixed in the revised scale at the stage next above the aggregate of his pay in the existing scale of pay and his temporary additional pay or personal pay, if any, whether such aggregate represents a stage in the revised scale or not. If such aggregate is less than the minimum of the revised scale, his pay should be fixed at such minimum. These orders have not benefitted appreciably ~~the~~ teachers who have put in long service under local bodies.

2. Government have now re-considered the question whether teachers in the service of District Boards and Municipal Councils should not also be given weightage for their service in the scales existing prior to 1-1-1947 as in the case of Government servants, and have decided that weightage should be given to district board and Municipal employees in respect of such service. Orders regarding weightage in respect of employees paid from general funds have been issued in G.O.No. 1422 L.A. dated 19-8-47 in the case of certain local bodies.

3. In partial modification of the orders in para 1 of G.O.No. 975 Edn. dated 10-5-47 the Government direct that the initial pay of teachers employed in elementary schools under the district board ~~specified in the Appendix and municipal councils specified in the Appendix~~ South Kanara shall be re-fixed in the revised scales in accordance with the following provisions, namely:-

(a) his pay shall be fixed in the revised scale at the stage next above the aggregate of his pay in the existing scale and his temporary additional pay, if any, whether such aggregate represents a stage in the revised scale or not;

(b) if such aggregate is less than the minimum of the revised scale, his pay shall be fixed at such minimum;

(c) [illegible] his pay is fixed under clause (a) or clause (b) as the case may be, he shall be granted advance increments in the revised scale as specified below:-

(i) for a service of 4 years and more but less than 8 years in the existing scale -- ONE ADVANCE INCREMENT

(ii) for a service of 8 years and more but less than 12 years in the existing scale. -- TWO ADVANCE INCREMENTS.

(iii) for a service of 12 years and more but less than 16 years in the existing scale --- IV . THREE ADVANCE INCREMENTS.

(iv) for a service of 16 years and more in the existing scale --

FOUR ADVANCE INCREMENTS.

(d) where an employee is granted any advance increment or increments under clause (c), only service from the date on which such advance increment or increments are given, shall count for further increments in the revised scale.

(e) An employee not eligible for any advance increment under clause (c)

P.T.O.

shall be allowed to count service in the existing scale of pay for increments in the revised scales of pay up to a maximum of one year.

(f) If the aggregate of his pay in the existing scale and his temporary additional pay is higher than the maximum of the revised scale, his pay shall be fixed at such maximum and he shall draw the excess as personal pay.

(g) Except in cases falling under clause (f) the pay fixed for an employee in the revised scale shall in no case exceed what would have been admissible had been in service in the revised scale from the beginning of his service.

(h) An employee whose pay in the existing scale of pay is affected adversely on account of the operation of clause (g) by his electing to enter the revised scale, shall have his pay fixed with reference to Fundamental Rule 22 and service rendered at the present stage of pay in the existing scale which has not been counted for increment shall count for increment in the revised scale upto a maximum of one year.

NOTE: 'Service in the existing scale of pay' in relation to any post, means service in such post up to and inclusive of the 31st December 1946, exclusive of (1) temporary appointment or promotion and (ii) service which has not been, or may not be, counted for increments in any scale of pay applicable to the post at the time.

4. The additional expenditure involved on account of the grant of advance increments should be met entirely from the elementary education fund of the local body concerned, No subsidy will be paid by Government to local bodies towards the deficit which may be caused by the grant of advance increments to teachers.

Introduction of Revised scales of pay to teachers - Dt. Board - South Kanara.

From the Special Officer, Dt. Bd., South Kanara, No. 14578/E.2. dated 31-10-47.

In passing orders on the Elementary Education Fun budget of the District Board, South Kanara for 1947-48 the Government directed an increase in the rate of edn. tax so as to provide funds for meeting a portion of the cost of revision of salaries. The Special Officer was asked to submit (a) a copy of the resolution of District Bd., proposing the enhancement of the rate of edn tax;(b) and proposals for meeting the additional expenditure on revision of salaries ~~xxx~~ that will not be covered by the extra income from the tax.

(a) above:

The Special Officer has ~~sbbmitted~~ the resolution proposing the enhancement of the tax and instructions have already been issued to the Collector for the collection of the tax at the enhanced rate of 14 pies.

(b) above:

The Special Officer has furnished particulars of the additional cost of revision of salaries. Though the letter is addressed to Govt. through the D.P.I, it is considered that the examination of the proposal need not wait for the D.P.I.'s remarks. It will be seen ~~therefore~~ that the additional cost for 14 months (from 1-1-47 to 29-2-48) willbe ~~about~~ Rs 1.25 lakhs, without taking into account the additional expenditure ~~due to~~ on the grant of advance increments. The Govt. have already ordered the grant of advance increments to teachers ~~in~~ under certain local bodies which have been asked to sanction these increments to other employees. The District Board, South Kanara is not one among them. These orders do not however preclude ~~an~~ examination ~~of~~ (being made) the ability of the other District Boards to grant advance increment to teachers. The Special Officer

has ~~not~~ reported ~~the additional~~ extra cost involved on account of grant of advance increments. ~~This may however be taken as~~ Rs. 45000/- ~~for 1947-48~~. Thus the total cost of revision of salaries and advance increments willbe Rs 1.70 lakhs.

2. The question for consideration is how the extra cost is to be met. The orders of Government are that the extra cost should be met by the District Board from its own funds. The Special Officer has not submitted any proposal for meeting the extra expenditure and has left the question for orders of Government.

3. The Government have promised to sanction an advance from Provincial funds towards the cost of revision. The Special Officer has however not applied for any advance.

4. In the absence of any proposals for meeting the expre. from the Special Officer, the expenditure can be met only from the enhancement of education tax. An increase in the rate of education tax by one pie will bring an addl. income of Rs 15000 a year and 11000 in 1947-48. If the tax is raised to 23 pies the position will be as follows:

	In 1947-48.	In 1948-49 and future years.
	Rs	Rs
Expenditure on revision of salaries and advance increments	1.70 lakhs	1.50 lakhs
Income from the increase of 2 pies already ordered	.22	.30
Addl. income from the enhancement of tax to 23 pies	1,00	1.35
Deficit/surplus	(-) .48 (48000)	(+) .15 (15000)

In 1948-49 and in future years it will be possible for the District Board to meet the cost of revision of salaries of teachers from the addl. income an account of the increase in tax. In 1947-48 there will be a gap of Rs 48000/- and an advance may perhaps be paid towards this expenditure to be repaid within a period of five years. The annuity on the advance (Rs 10000) can be met from the surplus of Rs 15000 referred to above.

P.t.o.

The Elementary Education Fund Budget of the Dt. Board will close with a deficit balance of Rs 100000 at the end of 1947-48. It may be noted that the deficit balance has been arrived at aftertaking into account the additional income (Rs. 22000/-) on account of the increase in the rate of education tax from 12 pies to 14 pies. Excluding this amount (Rs. 22000/-) the deficit in the E.E. fund be Rs. 1.22 lakhs. This deficit is due to grant of dearness allowance to teachers. The Board is eligible for a subsidy of also Rs. three lakhs from Provincial funds, for the grant of dearness allowance. A subsidy of 2.07 lakhs has already been paid ~~Perhaps a subsidy equal 2/3 of the deficit Rs. may be paid now.~~ ~~The Special~~ Officer has already reported that there is not sufficient funds at his disposal to meet the regular expenditure. The need for the payment may be examined after the receipt of any further answers

6. The L.A. Department may be requested to say whether any additional contribution can be made from the general funds to the elementary education fund. The increase in the rate of Education Tax may be settled with reference to the additional contribution forthcoming. LA + Board may see for remarks

In the circumstances explained by E.B.H and L.A. alone, the proposal to sanction an advance of Rs. 40,000 may be accepted, but it may be stipulated that the period of repayment may be three years so that there will be sufficient surplus to repay the annuity on raising the rate by 23 pies.

If the tax is raised ~~[illegible]~~ to 24 pies the additional income from the tax will increase by Rs 15000 and the recurring surplus will also increase by Rs 15000. The extra income from the one pie tax in 1943-44 will be Rs 11000 and the advance from Govt. funds may be limited to Rs 2-9000. A statement showing the rates of the education tax in the district boards is put up at (A) It will be seen that the rates of education tax need not be 'rounded off' to multiples of 6 or 12

Please see herewith a letter from S.Kan ra. I am very much touched by that letter. Teachers with long experience, who have served nearly 20 years in local boards, have been refused any relief under the present revision, in such of those district boards in which we could not order weightage for services. I am wondering why in those district boards we should not ask them to increase 8 annas in the fees of the student which could be utilised for giving weightage to these poor teachers. Many of the aided schools are charging ~~xxxx~~ fees more than our standard rates. We are ourselves allowing certain municipalities to charge more. And so, there will be nothing wrong in doing it, as even the poor teacher has to ~~xxxxxxx~~ be given a fair wage. The matter may be examined and put up to H.M.(La
